COME SAIL AWAY

I'm sailing away
Set an open course for the virgin sea
For I've got to be free
Free to face the life that's ahead of me.

On board, I'm the captain
So climb aboard
We'll search for tomorrow on every shore
And I'll try, Oh Lord, I'll try to carry on.

I look to the sea
Reflections in the waves spark my memory
Some happy, some sad
I think of childhood friends and the dreams we had
We lived happily forever so the story goes
But somehow we missed out on the pot of gold
But we'll try the best that we can to carry on.

A gathering of angels appeared above our heads
They sang to us this song of hope
And this is what they said,
Come sail away with me.

I thought that they were angels
But to my surprise
We climbed aboard their starship
And headed for the skies.
